## Statement of intent

Kimberworth Community Primary School is committed to maintaining the confidentiality of its information and ensuring that all records within the school are only accessible by the appropriate individuals. In line with the requirements of the General Data Protection Regulation (GDPR), the school also has a responsibility to ensure that all records are only kept for as long as is necessary to fulfil the purpose(s) for which they were intended.

The school has created this policy to outline how records are stored, accessed, monitored, retained and disposed of, in order to meet the school's statutory requirements.

This document complies with the requirements set out in the GDPR, which will come into effect on 25 May 2018. The government has confirmed that the UK's decision to leave the EU will not affect the commencement of the GDPR.

## 2. Responsibilities

- 2.1. The school as a whole has a responsibility for maintaining its records and record-keeping systems in line with statutory requirements.
- 2.2. The Head teacher holds overall responsibility for this policy and for ensuring it is implemented correctly.
- 2.3. The data protection officer (DPO) is responsible for the management of records at Kimberworth Primary School.
- 2.4. The DPO is responsible for promoting compliance with this policy and reviewing the policy on an annual basis, in conjunction with the Head Teacher
- 2.5. The DPO is responsible for ensuring that all records are stored securely, in accordance with the retention periods outlined in this policy, and are disposed of correctly.
- 2.6. All staff members are responsible for ensuring that any records for which they are responsible for are accurate, maintained securely and disposed of correctly, in line with the provisions of this policy.

### 3. Management of pupil records

- 3.1. Pupil records are specific documents that are used throughout a pupil's time in the education system – they are passed to each school that a pupil attends and includes all personal information relating to them, e.g. date of birth, home address, as well as their progress and achievement.
- 3.2. The following information is stored on the front of a pupil personnel file, and will be easily accessible:
  - Forename and surname
- 3.3. The following information is stored inside the front cover of the pupil personnel file, and will be easily accessible:
  - Ethnic origin, religion and first language (if not English)
  - Any preferred names
  - Position in their family, e.g. eldest sibling
  - Emergency contact details and the name of the pupil's doctor
  - Any allergies or other medical conditions that are important to be aware of
  - Names of parents, including their home address(es) and telephone number(s)
  - Name of the school and the date of leaving, where appropriate
  - Any other agency involvement, e.g. speech and language therapist
- 3.4. The following information is stored in a pupil record (either hard copy or electronically), and will be easily accessible:
  - Admissions form
  - Details of any SEND
  - If the pupil has attended an early years setting, the record of transfer
  - Fair processing notice – only the most recent notice will be included
  - Annual written reports to parents
  - National curriculum and agreed syllabus record sheets
  - Notes relating to major incidents and accidents involving the pupil
  - Any information about an education and healthcare (EHC) plan and support offered in relation to the EHC plan
  - Any notes indicating child protection disclosures and reports are held
  - Any information relating to exclusions
  - Any correspondence with parents or external agencies relating to major issues, e.g. mental health

- Notes indicating that records of complaints made by parents or the pupil are held
- 3.5. The following information is subject to shorter retention periods and, therefore, will be stored separately in a personal file for the pupil in the school office:
- Absence notes
  - Parental and, where appropriate, pupil consent forms for educational visits, photographs and videos, etc.
  - Correspondence with parents about minor issues, e.g. behaviour
- 3.6. Hard copies of disclosures and reports relating to child protection are stored in a sealed envelope, in a securely locked filing cabinet in the Head teacher's office – a note indicating this is marked on the pupil's file.
- 3.7. Hard copies of formal complaints made by parents or pupils are stored in a file in the Head teacher's office.
- 3.8. Actual copies of accident and incident information are stored separately on the school's management information system and held in line with the retention periods outlined in this policy – a note indicating this is marked on the pupil's file. An additional copy may be placed in the pupil's file in the event of a major accident or incident.
- 3.9. The school will ensure that no pupil records are altered or amended before transferring them to the next school that the pupil will attend.
- 3.10. The only exception to the above is if any records placed on the pupil's file have a shorter retention period and may need to be removed. In such cases, the DPO responsible for disposing records will remove these records.
- 3.11. Electronic records relating to a pupil's record will also be transferred to the pupils' next school. [Section 10](#) of this policy outlines how electronic records will be transferred.
- 3.12. The school will not keep any copies of information stored within a pupil's record, unless there is ongoing legal action at the time during which the pupil leaves the school. The responsibility for these records will then transfer to the next school that the pupil attends.
- 3.13. The school will, wherever possible, avoid sending a pupil record by post. Where a pupil record must be sent by post, it will be sent by registered post, with an accompanying list of the files included. The school it is sent to is required to sign a copy of the list to indicate that they have received the files and return this to the school.
