

Message from the Headteacher

Dear Parents,

It's been a very rainy couple of weeks but that hasn't stopped classes from getting out and about. Class 4 visited Ledston Outdoor Centre where they tried activities including making dragonflies and clay creatures. They showed great teamwork skills when working together to build dens. Class 1 are learning about old toys and on a visit to Weston Park Museum they learned about the different materials used to make toys in the past. They also became museum curators for the day, choosing their favourite toys to organise and place in the glass cabinets. The children asked lots of interesting questions to find out more information.

Thank you to all the parents who were able to join us for parents' meetings this week – I hope you found them useful. We are trialling some Maths Journals for homework this year in classes 1 to 6. The work in these matches the learning in class so we hope they will be a chance for children to practice at home. If you couldn't come to a meeting they will be sent home with the children. Have a lovely weekend, Miss Stothard

AT KIMBERWORTH WE LOVE TO READ!

We ask that children read **at least 3 times each week**. Please record this in reading diaries. Each week, the class with the highest percent of regular readers can choose a new book for their class.
