

Class 4

Class Teacher - Mrs Black & Mrs Malin

An Information Leaflet
for Parents and Carers

Timber Trail

Before 9am and after 3pm, children need to be supervised by a parent on the Timber Trail.

Playground

We have balls in school, please do not bring your own from home.

Again we ask that you remember to walk down the drive, please dismount bikes and scooters.

Safety

Children should not be running up and down the embankment, so please make sure your child walks on the pathway at **all times**. This is a designated wildlife area and will have plants growing in the Spring.

Parents/Carers use the car park at the rear of the old comprehensive school park at their own risk. It is your responsibility to keep an eye on your child or children at **all times**.

Finally, if you have any queries or concerns, please do not hesitate to speak to us before or after school.

Thank you for your support,

Mrs Black & Mrs Malin.

Expectations

Throughout the year the children will mature and develop their independence. They will be expected to complete all of their work the best that they can. They will be encouraged to follow the school and class rules at all times. A range of rewards are in place to celebrate achievements which the children know.

A consequence ladder is used to encourage the children to make positive choices at all times.

Punctuality and Attendance

The children need to arrive at 8:50am to give them enough time to complete their morning challenge. All parents are welcome to support children with their activities. Key Stage 2 finish school at 3:10pm.

Dress Code

Heelies are not permitted in school. Uniform must be labelled; unclaimed lost property will be sent to charity. Mobile phones and other items from home are not permitted.

PE Kit

Please make sure your child has a white t-shirt, shorts, tracksuit bottoms and trainers for outdoor games. If your child's ears are pierced they need to take them out or bring plasters to cover them during PE.

The children will need their PE kit to be in school for our PE lessons on Tuesday and Thursday. If your child is chosen to do football as part of Golden Time they will need their kit on a Friday.

Our topic for the year - We will send out a leaflet each term to let you know what your child will be learning about so you can support them at home. Also these will be shown on the schools website so keep checking for new entries. This term the children will be learning about the Romans.

Literacy and Numeracy Targets

These will be set regularly and they will be stuck inside literacy and numeracy books. Your child should be able to say what their target is and what they need to do to improve their own work.

Handwriting

Children will practise their handwriting daily. They will be given a handwriting pen when they can form all their letters correctly and join them neatly.

Homework

This will be set every Thursday and should be returned by the following Thursday at the latest. If this is not returned your child will be asked to do this in school as it is an important part of your child's learning.

Spellings

The children will have a weekly spelling lesson on Friday. Words will be sent home for them to learn which they will need to practise for the following week. We would really appreciate any support you can give your child to help them learn to spell their words correctly each week.

Reading

Children should be reading at least 3 times per week. This reading should be recorded in the child's diary to ensure that they earn rewards at the end of each half term.

We need to see reading diaries at least once a week.

There are some handy hints for parents in the front of the diaries and examples of questions which you could ask your child to check their understanding of the book read.
