

## Our New Year 1 Class.

After the summer holiday, you will have two teachers, Mrs Malin in the mornings and Ms Roddis in the afternoon. Mrs Oliver is our teaching assistant and we are all very excited about working with you in September.

You will have seen us all around school as before school closed we joined together for some Read Write Inc lessons and assemblies. We know what a fabulous class you are and cannot wait to have you in Class 1.

Over the last few months, our current class have sent us photographs of the work and fun activities they have been doing at home. It was lovely to see them all having fun. We know you will be very busy over the holidays but it would be lovely if you could send us some photographs of the things you have been doing.

We all have grown up boys and girls who you will hear lots about and we are hoping for nice weather so that we can have fun days walking, going to the seaside and meeting with our families.

Our first topic in September will be Splendid Skies. This is a new topic for Year 1 and we are really looking forward to teaching you all about weather and the seasons. There is a lot of Science in this topic so we will have lots of activities to help us with our learning.

We hope you have a fantastic summer. Stay safe and see you in September! Our class email is [Y1@kcps.org.uk](mailto:Y1@kcps.org.uk) if you have any questions.

Mrs Malin

Ms Roddis

Mrs Oliver.
