19<sup>th</sup> March 2020

### CORONAVIRUS (COVID-19) UPDATE

Dear Parents/Carers,

Following the government's announcement regarding school closures we must advise you that school will close to the majority of children from tomorrow afternoon (Friday 20<sup>th</sup> March) **until further notice**.

We will continue to keep you updated by text message and through the school website [www.kimberworthprimary.org.uk](http://www.kimberworthprimary.org.uk) as soon as we have any further information or guidance.

We would like to remind you that children can access learning through the website under the parent area and under the homework tab for Classes 1-6. Foundation 1 & 2 classes will receive learning through the 'Class Dojo' app. Practising these learning activities regularly and reading every day will really benefit your child.

**\*Learning packs will be sent home with children in school tomorrow. For those children who are self-isolating these will be posted by staff members to home addresses\***

As you may be aware the government are requesting that we remain partially open for children of 'key workers'. We are awaiting definitive guidance as to what constitutes a key worker but our current understanding is that this will include at least NHS staff and emergency service workers.

Can you please indicate on the slip below if you think you may fall into the category of a 'key worker' and would require your child to attend school during the closure period, this includes the Easter holiday period which would have fallen between 6<sup>th</sup> April-17<sup>th</sup> April. We will notify you of any changes upon receipt of further guidance.

Thank you for your continued support and patience at this time.

Kind Regards,  
Alison Stothard  
Head teacher
