

Hello to all our new children

Welcome to Kimberworth Daycare.. Some of you may already know me because your older brothers or sisters have attended our daycare. so welcome back. To those of you that have not met me before, my name is Donna and I am the Early Years Manager. We have a small team of Early years' teachers that you will all meet in September.

Over the last few months, our daycare children have sent me many photographs of the fun activities they have been doing at home. It was lovely to see them all having fun. Now it is time for them to move into Foundation 1, and make room for you all.

I will hopefully be inviting you all in for 1 day in the holidays to meet your new teachers and some of your new friends. Please look out for this information on our website and Dojo.

I have a new puppy called Rex, he is only 3 months old and can go out for a walk for the first time next week. I am looking forward to spending time walking him in the park and hopefully taking him to the seaside.

When we return in September we are hoping to play lots of games and look at pictures of you and your family to get to know you a little bit better.

Have a fantastic summer and stay safe. See you in September!

Donna x
