

Hello soon- to- be Class 6,

I can't wait to welcome you all back to school in September and become your teacher. Along with Mrs Bailey, I am sure that we will make a fantastic team.

Even though you know us quite well, you will soon learn much more about us both. Here is some information to start you off. We both share a love of reading and in Y6, we share some excellent books. Mrs Bailey bakes the best cakes in the world and I support the best football team. So if you are a Liverpool fan, we will get along famously. 😊

We learn all about Charles Darwin in our first topic of the year. The children have really enjoyed this in the past, so I am hoping you will too.

It would be lovely if you could try and complete some of the summer challenges on the sheet we sent you. It would be even better if you could keep in touch on the email, to let us know what you have been doing. You could even send us some photographs.

Whatever it is you are doing, I hope you have an amazing summer. I am hoping that I will be able to share sleep-overs and fun days out with my granddaughter Ella. I love being by the sea so I will be trying to visit the coast.

Have fun and stay safe. See you in September!

Mrs Edwards
