Message from the Headteacher

Dear Parents,

This week the children in most classes have been doing assessment activities which give us information about the progress they have made so far this year. It's been great to see them working independently to show how much they have learned. Staff will use this to help us plan for future work and parent's meetings will be arranged for the first 2 weeks after Christmas so that you have chance to speak to the class teachers about the progress your child has made and how you can help them further at home.

December has come around really quickly and we are starting to hear Christmas songs being practised around school for the different sing-a-longs and concerts. All the times are in the dates column of this letter – we hope you will be able to come along. A letter has been sent home today about a Christmas disco that we are organising for the children on Monday 9th December. If your child is in Class 1, 2 or 3 you will need to give permission for them to stay before the day so please complete the slip on the letter and return it to the class teacher.

Have a lovely weekend,

Miss Stothard

UPCOMING DATES
