Message from the Headteacher

Dear Parents,

Happy New Year! I hope that everyone enjoyed the Christmas break.

It has been lovely to have all the children back in school this week, keen to start their new projects. I've already seen some really interesting activities happening around school. Class 4 have worked with Mrs Bailey from Winterhill School using their technology skills to make pop up cards and Class 5 learned more about the size and scale of the solar system using different fruits to represent the planets! We are trialling some changes to homework this term to help you know more about what your child is learning in different subjects. Children from Y1 to Y6 will bring home a homework book and some activities to try today along with a letter giving more information. I hope you enjoy doing these together – we will take feedback on the changes at the end of term. If you want to find out more about what is happening in school, we are now on Twitter @KimberworthPri1. If you don't have Twitter you can also see our posts on the school website – www.kimberworthprimary.org.uk

Next week we are holding parent's meetings in school to give you the chance to talk with the class teacher and your child about the progress they have made and to find out more about how you can help at home. Sheets to sign up for an appointment are available in the classrooms but please contact the school office if you do not come into school and would like us to make an appointment for you.

Have a lovely weekend, Miss Stothard
