Message from the Headteacher

Dear Parents,

It has been lovely to see so many parents in school this week for the assertive mentoring meetings. I hope you found the time to speak with the class teacher and your child and the information you received useful. If you were unable to come along this week, please contact the school office who can still make an appointment for you.

All week proud children have been coming to find me to show me the fantastic homework they have completed. I've been amazed by the work that has been brought in so far including models of mountains and the solar system, World War 2 evacuee tags, treasure chests, telescopes, posters and much more! We certainly have talented children and families. It's great to see the children so enthusiastic to share what they are learning at home. Using the information in the homework book to talk to your child about what they have learned in school really helps them to remember new information and use the new vocabulary linked to our projects.

Our after school clubs have started again this week and have proved very popular although there are still a few places available for Dance, Football and Choir. There are also spaces available on Multisports which is now open to Classes 1 through to 6. Please contact the school office if your child would like to take part.

Have a lovely weekend,

Miss Stothard

UPCOMING DATES

Wed 22nd Jan –Nursery-
Foundation 1 parents
meetings

Thurs 23rd Jan – 9am
reading meeting for Y1
parents

Thurs 23rd Jan -9am SATs
