Message from the Headteacher

Dear Parents,

We enjoyed welcoming so many families into school this morning for our NSPCC family breakfast. All day the children have been taking part in lots of different maths activities and in assembly this afternoon we found out more about the NSPCC and the important work they do. Thank you to Mrs Black for organising the day.

Yesterday Class 6 had a design technology focus day as part of their World War 2 project. They designed, built and tested Anderson Shelters thinking carefully about how to make their models as strong as possible. It was great to see them showing their teamwork skills while working together in pairs.

Next Wednesday we are holding our discos after school. You should have received a letter with more details about this but if you need more information please ask the class teacher. We hope lots of children can come along.

Have a lovely weekend, Miss Stothard
