Message from the Headteacher

Dear Parents,

Where ever we can we like to give the children real life practical experiences to learn through and there has been lots of really interesting learning happening around school this week. Children in EYFS have made their own bird feeders and then on Monday took part in the RSPB big garden bird watch. They observed the birds in the grounds really carefully and recorded what they saw to send to the RSPB website. Class 3 had a visit from Cleo the leopard gecko as part of their Predators project and thought about the food chain that she is part of.

Next Friday, 7th February, we are really looking forward to welcoming lots of families into school for our family breakfast as part of NSPCC number day. Please come along to the school hall from 8am. Mrs Black, our maths leader, has been busy organising lots of maths games for you to play with your children at the breakfast. It will also be a non-uniform day when the children can dress us with a number theme -there are some simple costume ideas on a poster in the classrooms if they would help!

Next week is also children's mental health week with a theme this year of 'Find your Brave.' In classes and assembly, we will be thinking about how we all about take small brave steps every day and how bravery can be lots of different things; sharing worries, asking for help when you need it, trying something new or making the right choices.

Just a reminder that children need their PE kit in school every day and this should be a white t-shirt and dark bottoms. Many thanks for your help with this.

Have a lovely weekend,

Miss Stothard
