## End of Year Expectations for Year 3

This booklet sets out for you the knowledge and skills your child needs to learn to achieve the expected level at the end of Y3.

All the objectives will be worked on throughout the year in school.

Regular practise of these skills at home will help to reinforce this learning and help your child to achieve the expected level by the end of the year.

If you have any questions about this booklet or about how best to help your child, please talk to the class teacher.
