

Expected Y6 level in Reading

- Read regularly and discuss personal reading with others.
- Refer to text to support opinions and predictions.
- Give a view about choice of vocabulary, structure, etc.
- Distinguish between fact and opinion.
- Recognise devices used to argue, persuade, mislead and sway the reader.
- Appreciate how a set of sentences has been arranged to create maximum effect.
- Recognise:
 - complex sentences with more than one subordinate clause
 - phrases which add detail to sentences
- Explain how a writer has used sentences to create particular effects.
- Skim and scan to aide note-taking.

Expected Y6 level in Writing

- Use subordinate clauses to write complex sentences (gives extra information but not a sentence on its own (e.g. The dog, which was brown, ran away).
- Use expanded noun phrases to convey complicated information concisely (e.g. The fact that it was raining meant the end of sports day).
- Use a sentence structure and layout matched to requirements of text type.
- In non-fiction writing, establish, balance and maintain viewpoints
- Use words and language appropriate to formal and informal writing.
- Use full range of punctuation matched to requirements of text type.
- Use punctuation to clarify meaning in complex sentences.
- Use paragraphs to signal change in time, scene, action, mood or person.
- Edit, proofread and correct spelling in own work.
- Write legibly, fluently and with increasing speed.

Expected Y6 level in Mathematics

- Find the difference between a positive and negative number or two negative numbers.
- Compare and order numbers up to 10,000,000.
- Identify common factors, common multiples and prime numbers.
- Round numbers including those with up to 3 decimal places.
- Identify the value of each digit to 3 decimal places (tenths, hundredths, thousandths).
- Use knowledge of order of operations to carry out calculations involving four operations. (Section 2 –calculations)
- Multiply:
 - 4-digit by 2-digit
- Divide:
 - 4-digit by 2-digit
- Add and subtract fractions with different denominators and mixed numbers.
- Find equivalent percentages, decimals and fractions.
- Divide proper fractions by whole numbers. Calculate % of whole number.

Kimberworth Community Primary School

End of Year Expectations for Year 6

This booklet sets out for you the knowledge and skills your child needs to learn to achieve the expected level at the end of Y6.

All the objectives will be worked on throughout the year in school.

Regular practise of these skills at home will help to reinforce this learning and help your child to achieve the expected level by the end of the year.

If you have any questions about this booklet or about how best to help your child, please talk to the class teacher.
