Read, Write, Inc Phonics and Reading

To help children learning to read at home, Ruth Miskin are streaming phonics, reading and spelling lessons every weekday on their YouTube channel. The Speed Sound lessons are exactly the same format as we do at school so your child will be familiar with working in this way. Please watch if you can, this is a great daily resource.

To find out which Set to watch, ask your child whose Read, Write, Inc group they are in and then look at the chart opposite.

Read, Write, Inc e reading books at the correct level for your child are also available on Oxford Owl. Look at the chart again to find out which colour your child is on.

Writing

Children in Y1 learn to write in sentences using capital letters, full stops and conjunctions.

Conjunctions – *and, so, but, because*

I know lots of you have been busy making all sorts of things such as a bug hotel, a cake, a games room, a sandwich, a junk model or doing things like planting seeds so

- Can you write some instructions for something you have made or done?
- Make sure your instructions are in the right order.
- Can you number them and use time words?

Look at the Sunflower example to help you.

Handwriting

This week please practise correct formation of the 'down letters'

l t b p k h i

Say the handwriting phrases which are on the Ruth Miskin website and opposite. Remember that we do cursive handwriting so we say 'up' as we flick up to the letter then we say the handwriting phrase.

Practise writing your full name correctly.

Spellings

We would like your child to continue to practise spelling the Year 1 Common Exception words which were in your original Homelearning pack.

This week, please begin learning Summer Term 1 words. Talk about the tricky part of each word (in red) to help you remember it.

How to Plant a Sunflower

You will need...

A pot

Soil

Two sunflower seeds

A watering can

A name label

Follow these instructions to plant your sunflower:

- 1) First, fill the pot nearly to the top with some soil.
- 2) Then, using the watering can, dampen the soil with a little water.
- 3) Now, place two sunflower seeds onto the soil.
- 4) Next, cover the seeds with some more soil.
- 5) Finally, pour a little more water onto the soil.

Remember to water your sunflower once a day to help it grow! You will start to see the sunflower growing within two or three weeks.

HANDWRITING PHRASES FOR HELPING YOUR CHILD TO FORM LETTERS

This works best if your child practises for a short time every day.

1. Show the picture side and air-write as you say the phrase.
2. Ask your child to practise in the air with you.
3. Using a sharp pencil and sat at a table, encourage your child to have a go.
4. Praise your child for their efforts.

- m Maisie, mountain, mountain
- a round the apple, down the leaf
- s slither down the snake
- d round his bottom, up his tall neck and down to his feet
- t down the tower, across the tower
