

Hello!

Dear Parents,

It seems like such a long time since we had all the children in school and there is no date yet as to when we might start to get back to normal. Thank you for all the work you are doing to help the children keep learning at home. Lots more helpful resources are now available online with BBC Bitesize and The Oak National Academy both providing daily lessons for different year groups. We are also providing activities through the class email or dojo and the website. If you have any trouble accessing these please contact us so that we can help you. Please don't feel restricted to the activities we suggest – do what you can, when you can and we know you will be doing all sorts of other activities together as a family. If your child completes anything they want to share then do email it to us. The situation we are in is completely new to everyone and a challenge for us all to deal with so looking after our own and our families well-being is the most important thing at the moment. Stay safe and let us know if there is anything we can help with,

Miss Stothard

Dear Children... We miss you all very much. Although there are a few children and staff in school it is very quiet without the laughter and fun you all bring. I hope that you and your families are all ok. Remember to keep up with your reading, maths and spelling but also have lots of fun singing, dancing, being creative and spending time with your family. Look out on your class email for activities that our whole school family can join in like the Virtual Choir or the Toilet Roll Challenge! It is a very strange time for us all so if you are worried tell a trusted adult so that they can help you. Take care and we will see you all soon, Miss Stothard and all the staff.

Stay in Touch
