Read, Write, Inc Phonics and Reading

To help children learning to read at home, Ruth Miskin are streaming phonics, reading and spelling lessons every weekday on their YouTube channel. The Speed Sound lessons are exactly the same format as we do at school so your child will be familiar with working in this way. Please watch if you can, this is a great daily resource.

To find out which Set to watch, ask your child whose Read, Write, Inc group they are in and then look at the chart opposite.

Read, Write, Inc e reading books at the correct level for your child are also available on Oxford Owl. Look at the chart again to find out which colour your child is on.

Writing – linked to our topic ‘Bright Lights, Big City’

Last week you made a list of London Landmarks.

This week we would like you to choose a landmark, you could draw it first, then write some facts about it that you have found out. Send a photo of your writing to our class e mail, we’d love to see it.

Remember to-

- start each sentence with a capital letter and end with a full stop
- form your letters correctly and neatly
- put spaces between your words
- spell all the Y1 Common Exception words correctly
- use your ‘Fred Fingers’ to help you spell other words.

Instructions

You could have a go at following the instructions to make these delicious Shortbread Stars from the ‘Room on the Broom’ cookbook.

Handwriting

This week please practise correct formation of the ‘curly letters’

e f s

Say the handwriting phrases which are on the Ruth Miskin website and opposite. Remember that we do cursive handwriting so we say ‘up’ as we flick up to the letter then we say the handwriting phrase.

Practise writing your full name correctly.

Spellings

We would like your child to continue to practise spelling the Year 1 Common Exception words which were in your original Homelearning pack.

This week, practise your spellings by writing sentences that include each word from Summer Term 1

Shortbread Stars
Make some scrumptious stars with this easy shortbread recipe.

You will need:
100g plain flour
120g butter, softened
and cut into cubes
100g castor sugar
100g icing sugar
100g chocolate chips
100g extra butter for greasing

What to do:
1 Preheat the oven to 180°C/Gas Mark 4.
2 Dip a piece of kitchen roll in butter and rub it all over the baking tray.
3 Roll the flour into the mixing bowl. Add the butter and rub together with your fingers until the mixture resembles breadcrumbs.
4 Add the vanilla extract and sugar, and mix together. If it appears too doughy into a ball with your hands.
5 Sprinkle your work surface with flour and roll the dough out to about 1/2 cm thick with a rolling pin.
6 Use the biscuit cutter to cut out the stars and carefully place them on the baking tray. Be sure to allow space between stars to make more biscuits.
7 Bake the shortbread for 12-15 minutes or until they're a pale golden colour. You might need to do two batches.

Tips, Tricks and Twists
• Leave a little gap between each star when you place them on the baking tray so they spread slightly.
• You could make your stars spiky by mixing some chocolate chips into the dough.
• Why not shape some of the stars into a heart, too? You could even try a broomstick if you're feeling brave!

HANDWRITING PHRASES FOR HELPING YOUR CHILD TO FORM LETTERS

This works best if your child practises for a short time every day.

1. Show the picture side and air-write as you say the phrase.
2. Ask your child to practise in the air with you.
3. Using a sharp pencil and sat at a table, encourage your child to have a go.
4. Praise your child for their efforts.

- m: Mainie, mountain, mountain
a: round the apple, down the leaf
s: slither down the snake
d: round his bottom, up his tail neck and down to his feet
t: down the tower, across the tower
i: down the body, dot for the head
n: down Nobby, over his hat
p: down the plate and over the pirate's face
g: round her face, down her hair and give her a curl
o: all around the orange
c: curl around the caterpillar
k: down the kangaroo's body, tail and leg
u: down and under, up to the top and draw the puddle
b: down the laces to the heel, round the toe
