

# Reading for pleasure.

Can you create a front cover for a book?

Can you create a collage to show what you have read?

Can you snuggle up and read with your family?

Can you listen to an audio reading of your choice?

Can you read under a blanket tent or fort?

Can you read to a friend on the phone?

Can you recreate a favourite comic cover?

Can you read using different voices?

Can you recommend a book in a window for someone else to see?

Can you read aloud your favourite song lyrics?

Can you read about your favourite, sport, animal, person or hobby?
