

Good afternoon.

We hope you are fit and well.

Please find attached this week's home learning pack.

If possible could you try to encourage your child to start to join the letters they are practicing in their handwriting. However, if they are finding this too tricky just ask them to write the letters without joining to the next letter.

An alternative to the lard on the bird feeder is either butter or margarine.

Please remember to send us some pictures of your work, as we love seeing the wonderful things you have been doing.

Take care

Ms Roddis and Mrs Malin.
