

Topic work - end task.

Hello Woodland Explorers,

Would you like to join us for a special garden party?

There will be plenty to eat, games to play and creatures to meet.

We would love to see you there!

Best wishes,

Mr Fox

Party Organiser

R.S.V.P

P.S

Please can you choose a super woodland story to read at the garden party?

TASK

1. We'd better let Mr Fox know how many guests to expect... Let's write a short letter accepting his invitation!
2. Where do we send it to?
3. Which story do you think they would like to hear?
4. Let's get ready for the party... What do we need to make or prepare?
5. Let's make a list.
6. You could make an animal mask to wear during our visit.
7. Which animal would you like to be?
8. Use your best cutting and sticking to make your mask.
9. Look out for wildlife and plants in the garden.
10. What interesting objects can you collect?
11. What sounds do you hear? Are any of the animals watching?
12. Explore holes and hollows, tree stumps and tunnels.
13. Use torches to explore the undergrowth.
14. Tell a grown up what you discover!
15. Let's make a camp!
16. Collect sticks and twigs to make seats and a table where we can eat our party food and read our story to the animals.
17. The animals must be hiding. Can you see them? They are very shy!
18. Let's make some decorations to hang in the trees.
19. We'll use all the leaves, sticks, petals and cones we can find. What will you make?
20. Enjoy your party food and remember to take lots of photographs of this special event.
21. Make a map to show where you went and how you got there!

CONGRATULATIONS! You have completed your Innovation Challenge.
