

My New Year 4 Class,

As you now know, I am going to be your new teacher after the summer and I am really looking forward to seeing you all again.

You already know me, as we were next-door neighbours during your short time in Year 3. I have been into some of your lessons this year and I have seen you working hard for Mrs Smith so I know you will be a fabulous Year 4 class.

Over the last few months, my current class have sent me many photographs of the work and fun activities they have been doing at home. It was lovely to see them all having fun.

I know you will be very busy over the holidays and it would be lovely if you could send me some photographs of the things you have been doing.

My 9-year-old twin boys, Ollie and Alfie will be keeping me very busy and I am hoping that we will have many fun days out bike riding, going to the seaside and spending time with our family.

Our first topic in September will be the Romans. When I taught this last year, the children really enjoyed it and I am sure you will. What can you find out about the Romans before you come back to school?

Have a fantastic summer and stay safe. See you in September!

Mrs Black
