### Drumming Workshops

October is Black History Month, which is a chance to learn more about the history, arts and culture of black British people. Over the last 2 weeks, children in all classes from Y1 to Y6 have loved taking part in a drumming workshop where they had the chance to play the drums and try other percussion activities with Tongesayi Gumbo. They also had the opportunity to ask questions about African culture and family life. The music sounded amazing and one of the Year 1 children said it was his favourite ever activity!

### House Captains

This week our oldest children in Class 6 have had the chance to put themselves forward to be House Captains. This is a responsible job as they are often called on to carry out tasks, represent the school and be a role model for all the younger children. Usually we would have house assemblies to vote but this year the children have made a video speech that all classes have watched before voting. I would like to say well done to everyone who put themselves forward but especially to the newly elected captains and vice captains:

Lions: Aziz and Reece

Leopards: Harrison and Justin

Tigers: Logan and Toby

Panthers: Brooke and Morgan

Dear Parents,

This week we have had our first group of children working from home and we have been working hard to improve the remote learning that we send to them. As the Dojo app works well in Foundation Stage we have decided to use this as our method of sharing learning with the children and contacting families if they need to work from home. You should have been sent information about downloading the Dojo app in case it is needed; if you have any problems with this please contact the school office and Mrs Gerstel will try to help you. Thank you to all our families for your continued support with our Covid measures. **Please remember to arrive at the correct times for drop off and pick up children and to leave the school site as quickly as possible to help us all to keep our distance.** Have a lovely weekend, Miss Stothard

Good bye and Good Luck to Mrs Wilcock!

Sadly, it is Mrs Wilcock's last day with us at Kimberworth Primary School as she is moving back into a career in nursing. She will be missed by everyone in our school community; I know she will have cared for many of your children over the past 12 years. We wish her every success in her new role.

Well done to the children who have received 'Believe and Achieve' certificates ...
