

## Message from the Headteacher

Dear Parents,

Thank you to all our parents who took part in the parent meeting phone calls with teachers this week. I hope you found it useful. If you haven't yet had a meeting or got an appointment time you can either send a message to the class teacher using Dojo or ring the school office to arrange one.

There has been lots of interesting learning happening around school. We are so lucky to have such lovely school grounds for the children to work and play in and I've seen lots of them outside finding out about the plants and animals around us. We've also been outside for PE sessions with many classes starting to develop their hockey skills and Class 4 also playing tennis. This term Class 5 have started drumming lessons and they are already sounding fantastic -hopefully they will be able to put on a performance for us to share soon. It's always great to see the children having fun and working so hard across the curriculum. Don't forget that we are continuing to share the link to celebration assembly on Dojo so that you can find out more about what's happening in school.

Have a lovely weekend, Miss Stothard
