Message from the Headteacher

Dear Parents,

We started the week with a Zoom assembly to celebrate all the winners from sports day. Congratulations to the individual winners on the day and to the victorious team the leopards (green team). All the children tried really hard and showed how sporting they are, cheering on the other children.

The children will all have brought home their end of year record of achievement. They have been asked not to open it and to wait to read it with you when they get home. I hope this will give you information about your child's achievements and some suggestions of targets they could keep practising over the summer holiday. I am sure you will be very proud when you read them, as we are. If you would like to speak to the class teacher about any aspect of the record of achievement, please contact them using the message area of Class Dojo and they will arrange a time to contact you.

All classes have had the chance to meet their new teacher and teaching assistants this week. Next week they will get the opportunity to go into their new classroom and find out practical things like which entrances and toilets to use.

I hope you all have a fantastic weekend and that we are celebrating an England win on Monday!

Miss Stothard

New Covid Guidance

Following the Prime Minister's speech on Monday, some new Covid guidance for schools came out which we will put in place for September. This will mean that we will no longer need to have bubbles and all the organisation that went with them. There will still be expectations about handwashing, ventilation and staying at home if you have any Covid symptoms.

Mrs Edwards and I are just finalising how we will organise in September and I will send this information, including start and finish times, by the end of next week.

We all know how quickly things change and so we will keep you updated with any changes during the Summer and confirm all arrangements 1st September.
