Message from the Headteacher

Dear Parents,

It has been a brilliant first full week back in school and the children are now really familiar and independent with our routines. The school days are starting to feel more 'normal' and it was lovely on Monday to have our first in person assemblies for more than a year. We did this in two groups so that the children could spread out and the hall wasn't too full. Class 5 began their drumming lessons on Thursday and enjoyed playing the djembe drums with Mr Matthews from the Schools Music Service.

I'm really pleased that after school clubs are also restarting next week and the Active Regen sports staff will be leading Multi-sports clubs for children in Classes 1 to 6. If you would like to book on to these sessions you can do this using the Arbor app. Just contact the school office if you have any problems using it.

Have a lovely weekend, Miss Stothard

New Covid Guidance

The latest government guidance is that:

- You should not send your child to school if they have Covid symptoms or have tested positive for Covid themselves.
- If your child is identified as a close contact, you are advised to book a PCR test and they can return to school if this is negative and they feel well.

Schools are no longer responsible for identifying close contacts of a positive case -this will be done by track and trace.

When you are on the school site, please be considerate of other people, be aware of their personal space and wear a face covering in busy areas if you are able.
