Message from the Headteacher

Dear Parents,

Mrs Edwards and I had a fantastic afternoon this week interviewing children who had applied to be librarians in school. They had written applications and then came to an interview to answer questions about what makes a great librarian and what skills they could bring to the role. All the children were so impressive and showed such enthusiasm for reading. They were full of ideas about how they could encourage children of all ages to enjoy reading and are looking forward to our new library area being ready after half term so that they can get started.

On Monday, Classes 5 and 6 worked with Mrs Foxley-Johnson from the Anti-Bullying Company thinking about the impact of words. This focussed on how the way we speak to other people affects how they feel. The children left the session with a poster full of compliments that they had thought of that would boost other people's self-esteem. The children really thought carefully about the importance of how we speak to each other and will be sharing what they learned with the other classes during anti-bullying week in November.

Have a lovely weekend,

Miss Stothard

COVID 19

Please remember you should not send your child to school if they have Covid symptoms or have tested positive for Covid themselves.

If your child is identified as a close contact, you are advised to book a PCR test and they can return to school if it is negative and they feel well.

Thank you for your support with this.

Well done to this week's attendance champions, Class 6 with 97.8%

Please send any messages about absence to the school office by phone (01709740879) or by

Email (office@kcps.org.uk) rather than on the Dojo. Thank you.
